Event Information

Welcome to RAI Amsterdam. How can we help you? Here you will find all information you'll need for a great preparation for your event.

First things first

With a good preparation you will get the most out of your participation and you will avoid unnecessary stress. Here you'll find the most important issues in one convenient overview. The menu on the left will give you access to a wealth of information.

During build-up and breakdown wearing approved safety shoes is compulsory. When the red revolving warning light is on, safety shoes and a hard hat are mandatory.
